

Where Were You God?

A Study of Esther – Where are You God?

BKC ~ 10.19.25 ~ CFWBC

Esther 9-10

Three themes to help us in the tough times of life:

1. God is _____ there and always on time. 9:1-19

- God was with Esther when she was orphaned.
- God was with her when she was taken from Mordecai's home.
- God gave her favor with King Xerxes when she approached him.
- God gave her favor with the king through the two banquets she prepared.
- God used Xerxes insomnia to bring Mordecai's kindness to memory.
- God perfectly timed Haman's entry to honor Mordecai.
- God caused Xerxes to side with Esther as Haman's plot was exposed.
- God caused Haman's final removal.
- God caused Mordecai's rise to power.
- God allowed the Jews to avenge any attack (9:1-4).

Esther 4:14; Romans 8:28; Romans 8:35; Hebrews 13:7; Hebrews 13:5

2. Remember and _____ His goodness. 9:20-32

1 Corinthians 11:26 "For whenever you eat this bread and drink this cup, you proclaim the Lord's death until he comes."

3. Be a difference _____ in your world. 10:1-3

When you stick your neck out – when you tell others about Jesus, when you get nervous and you wonder if you are doing this alone and you ask "where are you God?" ... well, I'm here to tell you "God is always there and His timing is always right."
