Luke 2:1-7

A Change of Plans for Mary and Joseph:

- The entire region was ruled by the _____ empire. V. 1-2
- They were ordered to go to _____ for a census. V. 3-4

(Side Question: Was Jesus an Immigrant?)

- Their entire “birthing plan” _____. V. 4-7

Their plans failed but God’s purposes succeeded:
Luke 1:21; Matthew 2:5-6

Main Idea: Don’t live for a _____, Live for a _____!

For Ourselves:

It’s not as important that things go according to plan, as it is that they go according to His purpose.

For our Church:

In church, just like in life, often the plan must change so that the purpose does not.
