The Golden Lampstand

Exodus 25:31-40

The Golden Lampstand, is the only light source in the Tabernacle. This lampstand not only facilitated the priestly duties but also embodied the light of God's Word, illuminating the sacred space. how does this lamp stand model Christ as the ultimate light, who transforms believers into bearers of this light, spreading God's presence and Word in the world?

Reflection Questions:

1. How does the design of the Golden Lampstand reflect the nature of God's presence in the Tabernacle?
2. Why is the lampstand being the only source of light in the Tabernacle significant in understanding the function of light in worship?
3. In what ways does the lampstand's tree-like design and the use of pure gold enhance our understanding of its symbolic meaning?
4. Discuss the relationship between the physical light provided by the lampstand and the spiritual light represented by God's Word.
5. How does the lampstand illuminate the essential roles and functions within the Holy Place of the Tabernacle?
6. Why is it important that the lampstand was made from one solid piece of gold, and what might this suggest about the continuity and unity of God's Word?
7. What does the light of the lampstand tell us about God's intentions for interaction and fellowship with His people?
8. Reflect on the connection between the lampstand in the Tabernacle and Jesus being the Light of the World. How does this enhance your understanding of Christ's role in salvation history?
9. Discuss the connection between the seven lights of the lampstand, and the seven lampstands in Revelation 1:20.
