Christianity Isn't Just Personal

Matthew 5:14-16

Just Personal Christianity is the belief that your faith is only personal/individualistic.

It would be wrong to say that Christianity isn't personal, but it's not JUST personal.

Decision to Follow Jesus:

Relationship with God:

God's Call on your Life:

Reflection Questions:

- In what ways am I making my faith "Just Personal"? Why? What am I afraid of/uncomfortable with?
- What next steps must I take to move from an individualistic faith to biblical Christianity?
