My Story, God's Glory: A Broken Family Tree

Exodus 20:4-6

Goals for this Series:

1. That we will experience God's grace and mercy afresh
2. That we will understand and articulate our own story
3. That God would receive great glory

Your Story Outline: Before --- Encounter with Jesus --- After

Guide for your Transformation Journey with Jesus:

1. Remember, Transformation is Hard!
2. Transformation is all by God's Grace
3. We must Partner with God's Grace (prayer, scripture, worship, community, etc)
4. Choose Humility over Pride

Because of Jesus, you are not under a generational curse, but instead you've inherited generational blessing!
