Christmas Resolutions: *Admit My Need*

Genesis 3:1-15

Adam and Eve's fall and the curse of sin and death has negatively affected every area of life: our relationships with God, others, the rest of creation, and the good work/mission God gave us.

Reflection Question: In what ways do you most feel the effects of the fall in your own life today?

Christmas is the in-breaking of God's presence into our fallen, messy lives. It is the beginning of God's great rescue mission to save us from the curse of sin and death.

Reflection Question: As you consider God's presence in your complicated life, what do you think God would most want to rescue you from?

Before the joy and peace of Christmas can fill our lives through the presence of Christ, we must admit our need for God's redeeming grace.

Reflection Question: Are you ready to admit your desperate need for God's grace this Christmas?

If so, the first step is to confess your sin and ask for God's mercy and forgiveness.
