Long Story Short: Jesus

Luke 24:28-35

JESUS is near us (even if we don't recognize Him)

JESUS is the main point of the story

JESUS: The Promised Victor

God promises that evil won't have the last word; Jesus will be victorious.

JESUS: The Passover Lamb

As the Lamb of God, he becomes the sacrifice that sets us free.

JESUS: The Suffering Servant

The Messiah's glory is achieved through his suffering, exactly as Scripture predicted.

JESUS: The King

The suffering Messiah died, was resurrected, and reigns as King.

JESUS is recognized in the breaking of the bread

JESUS changes our agendas and plans
