Unoffendable: The Effects of Anger

Matthew 6:25-34

The effects of anger affect everything!

Jesus is a Genius!

1. Matthew 6:25-34
2. Matthew 5:43-44
3. Matthew 11:28-30

Forgiveness = an objective decision to release a debt!

Forgiveness = the act of loving your enemies!

Forgiveness = Discipleship!

Humility = admitting that you need just as much forgiveness as others....maybe even more!

Humility = the kryptonite to anger!

Trusting in God changes everything!

Three Questions to Ask Yourself

1. **Check Your Ego:**
“Is this about God’s honor – or mine?”
2. **Recall Your Debt:**
“How much have I been forgiven?”
3. **Mirror the Mercy:**
“How can I reflect God’s grace right now?”
