ABIDE: Stepping Out in Faith

Scripture: 3 John

INMANS IN ASIA

BRINGING HELP AND HOPE TO THE HIDDEN AND HURTING
WITH GLOBAL HOPE NETWORK INTERNATIONAL

Josh Inman and his wife, Lisa, along with their three kids: live and work in Thailand partnering with the Global Hope Network International.

They joined Global Hope Network International in 2014 and provide leadership to the work in Thailand, Myanmar, Vietnam & Indonesia.

Today Josh will be teaching us out of the book of 3rd John as we look at what it means to boldly step out in faith following the leading of the Holy Spirit.

GHNI Vision

To bring **Help and Hope** to the most vulnerable people and least-reached places that are often overlooked by the rest of the world.

GHNI Values

- **Cultural Relevance** – Reminding people of their dignity in culturally relevant ways to each person we are working alongside; whether co-workers, volunteers, donors, or villagers.
- **Empowerment** – Breaking cycles that hinder growth by equipping individuals to drive and realize their own success.
- **Sustainable Transformation** – Sharing proven achievable solutions that cultivate a long-term change in mindset and attitude.
- **Hope** – Embracing positive expectations for the future to overcome present circumstances and challenges.
