### **Journeying with Jesus: Do You Want to Get Well?**

John 5:1-15

Do you feel somewhat paralyzed on your journey with Jesus? How do we know?

#### **You may be experiencing Spiritually paralysis if...**

- a. You have no desire for Bible study and prayer.
- b. Spiritual conversation embarrasses you. When a group of your close friends says something about Jesus or the Bible and you shy away.
- c. If you've begun to rationalize your sin. And you think this one little sin won't set me back.
- d. You find yourself quoting scripture and attending services, but your life shows no sign of what you claim.
- e. When money begins to dominate your life.
- f. When the thought of others in misery and spiritually lost doesn't bother you. You rationalize, "I go to church but being concerned about someone accepting Christ is not my job. That's what we pay the preacher for."
- g. Worship and service to God no longer excites you.

**Is Jesus asking you this morning, "Do you want to get well?"  
There's no better time than today!!**
