God in HD: Transcendent Creator

Genesis 1:1-3, John 1:1-4

God the Father, Jesus the Son, and God the Holy Spirit are all involved in Creation. (Genesis 1:1-2, John 1:1-3)

God's desire in creation is to give us LIFE! (Genesis 2:7, John 1:4)

Key Takeaways:

1. Because you are created in God's image, you can only experience the true life you were created for to the degree that his image is restored in you.
2. Reflecting God's image means reflecting the image of Jesus since Jesus is the image of God.
3. Being conformed to the image of Jesus is a work of God's Spirit and only possible by God's grace.

Reflection: In what new way do you sense God wants you to put yourself in position to experience his grace (so you can reflect the image of Jesus, and thereby experience the true life you were created for)?
