A condemnation of how Israel treated the prophets.

The chief priests realize Jesus is speaking against them.

20:20-26 – Jesus outsmarts the priests on paying taxes.

20:27-40 – Sadducees try to outsmart Jesus regarding the resurrection.

20:41-44 – Jesus outsmarts the Sadducees regarding how the Messiah is David's son.

20:41-44 – The terrible condemnation of the Jewish leaders who pride themselves on the appearance of religious dedication but who, at the same time, take advantage of others.

Though appearing godly, they are severely lacking in love.
