

Walk With the Word

Luke 16

16:1-9 – A parable on forgiveness: the incompetent manager.

The manager does what he can to diffuse the situation.

The manager was shrewd because he offered forgiveness.

16:10-13 – We can't have two masters: we either invest in the world or we invest in the kingdom of God.

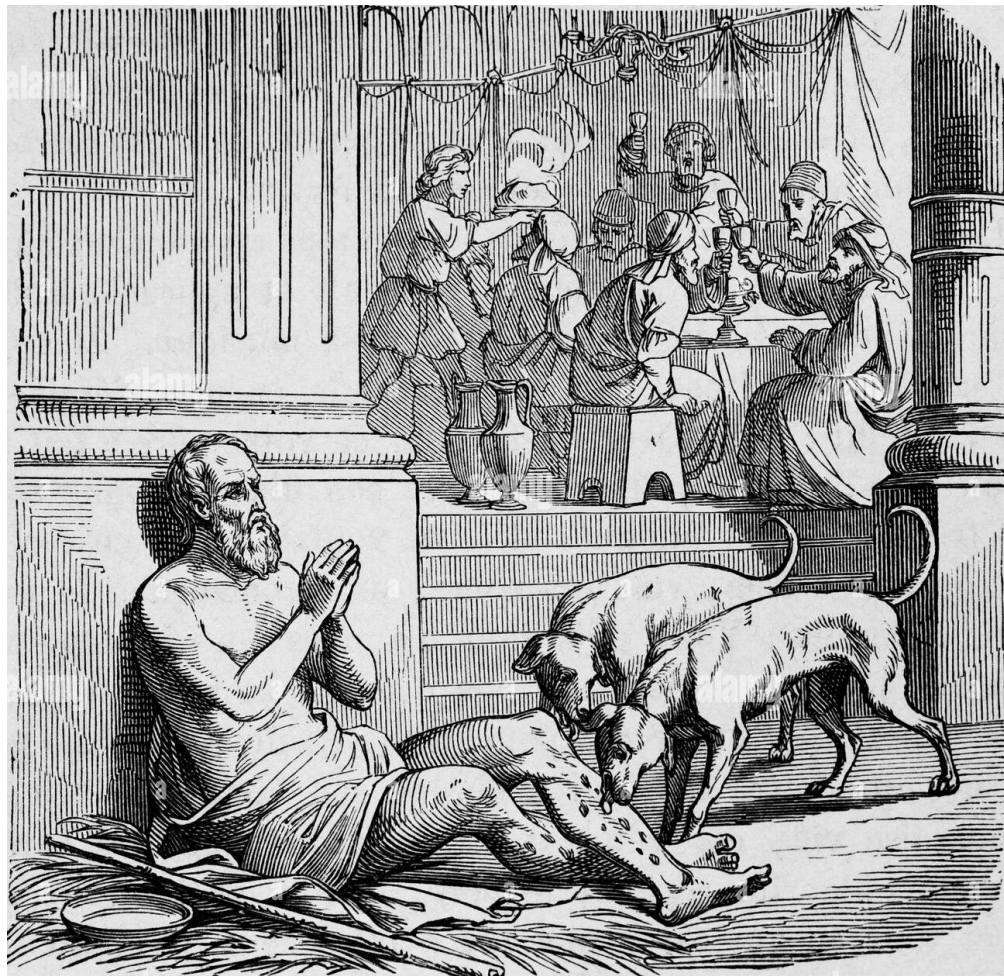

16:14-17 – Key: the Pharisees were lovers of money.

They were scoffing at Jesus' teaching about money, making them a spiritual abomination.

16:18 – A rebuke of the Pharisees concerning divorce.

16:19-31 – The parable of the rich man and Lazarus.

Another lesson on the entrapment of riches and wealth.

Earthly wealth does nothing for us in eternity.

Scariest words: "...there is a great chasm fixed."

The key lesson in chapter 16: "Repent." (v. 30)
