

Walk With the Word

John 2

2:1-11 – Jesus' first recorded miracle:
the wedding in Cana.

“My hour is not yet come” meaning to reveal Himself as God.

Jesus turns water into excellent wine.

Point: His disciples believed in Him (1:11).

2:12 – Jesus had “biological” brothers and sisters (Matt. 13:55-56)

2:13-22 – Jesus cleanses the Temple from commercialism.

The Jewish authorities: always seeking a sign.

Jesus foretells His resurrection.

2:23-25 – Many believe in Jesus because of His signs.

Jesus was not “entrusting” Himself to them because He knew “what was in man”: “signs” are not enough.
