## Questions for further contemplation and application after the message:

#1 Read 1 Samuel 13:14. How does this verse indicate that David differed fundamentally from Saul?

What characteristic(s) do you think marked David out as “a man after God’s own heart?”

#2 Why do you think God prizes obedience and humility so highly in His servants?

#3 What is humility, anyway? Define it biblically. How did David model humility in 1 Samuel 16?

#4 What do we mean when we say that God is sovereign? How might you explain God’s sovereignty to a new believer?

#5 Has God ever placed you in a difficult situation that you initially did not understand His purpose in, and then have it all make sense later on after persevering through a season of challenge and uncertainty?

How does God strengthen us in such times?

#6 Why was David’s willingness to serve Saul (in the palace) a powerful expression of his faith in God?

#7 How did David’s faithfulness to God and trust in His sovereign plan position him to be used and blessed by God?
