Unique and Unusual facts about the book of Luke

Luke is the only Gospel to share Jesus' stories ("parables") of the good Samaritan (10:25-37), the prodigal son (15:11-32), and the rich man and Lazarus (16:19-31). Luke is also the only Gospel to detail Jesus' actual birth and the words He spoke in childhood (both in chapter 2).

Guest Speakers

Leo and Barbara McCauley, Krystal Dawn Retreat

Our daughter, Krystal Dawn, that passed away at the age of 13 from complications from a multiple organ transplant. She was on IVs all her life and had many, many surgeries. She used a walker or a wheelchair sometimes. During her life, so much was learned about difficulties experienced by not only the child that is disabled but by the entire family as well. It is mine and my husband, Leo's dream to establish a place where the entire family can come and enjoy activities like fishing, going on trails, playing outdoor games, a petting zoo, and maybe have a picnic while enjoying the beautiful outdoors. This dream is becoming a reality in Rockingham.

-Barbara McCauley

²² Wives, yield to your husbands, as you do to the Lord, ²³ because the husband is the head of the wife, as Christ is the head of the church. And he is the Savior of the body, which is the church. - Ephesians 5:22-23 NCV
