Paul: Just as a body is one whole made up of many different parts, and all the different parts comprise the one body, so it is with the Anointed One. We were all ceremonially washed through baptism together into one body by one Spirit. No matter our heritage—Jew or Greek, insider or outsider—no matter our status—oppressed or free—we were all given the one Spirit to drink. Here’s what I mean: the body is not made of one large part but of many different parts.
