ANNOUNCEMENTS

FCC Weekly Worship: Each week we have a worship set followed by a message from God's Word. Also, Adam Coleman posts a virtual KidZone.
www.faithcommunity.net

SERVICE UPDATES: In light of our desire be loving and selfless towards others as we journey through the pandemic together, we have scheduled two services. Also, we will be postponing the ABS classes until January 17 as we wait for updates from our County Health Department. For the week of January 10th, the children's ministry will not meet during the service. Please include your children in your reservation for the auditorium this week. There will be a nursery.

The directive from the county means that we will need to know how many people are attending each service. To do this, be sure to reserve your space for the service you wish to attend. We are required to close the reservations when we reach 33% occupancy for each service. If you have been hesitant to come because of the number of people in the services, try the 11:00 service as there are many seats available for that service.

If you do not have a reservation, you can still join us! You will be seated at the next available spot in our main auditorium or in overflow seating.

While gathering in person is vital for the Body, we want to do so wisely and safely. With winter here and its normal, cold, sniffly nose, allergy, flu, and COVID, it is difficult or impossible to know which symptoms should be considered COVID-19. Please, if you have ANY symptoms or are an at-risk or vulnerable individual (those with certain underlying medical conditions, seniors, etc.) stay home and worship with us online.

GLOBAL PARTNER OF THE WEEK

GTI Hope /India Bible Literature (GTI/IBL)

is an Indian-based organization that trains and equips the church in India so that it can reach its own people with the Gospel of Jesus Christ. GTI/IBL is staffed by over 150 Indian employees and assisted by 2000 national volunteers. Our support of GTI goes specifically to reach the unreached Koli tribal people. The Koli people are considered "untouchables" and treated like animals. They live in abject poverty with hunger, malnutrition, no education, and no hope.
