

WELCOME

This week we worship both in-person and online!! At the heart of every prayerful decision we have made since the beginning of this crisis is our desire to honor God, care for you and your families, love our neighbors, and respect our governing authorities. We believe in both the Biblical importance, and power of gathering together for corporate worship. We have greatly missed being able to do so these past many weeks. We cannot wait to see you and celebrate our great God together. We understand that there is a lot of change for those who are coming to the church. The staff, and church leadership are working hard to keep the spirit of the guidelines in place, while still creating an environment where we can worship our risen Savior! At the same time, we want you to know that there is no pressure to attend church in person during this season, so we will continue our online presence and continue to improve that as well.
