

STANDING STRONG

DURING DIFFICULT DAYS

"Stepping On the Field"

Dr. Kevin Cassidy
Ephesians 6:18-20

WELCOME

Welcome to each of you who are with us today to worship our God and King! We are rejoicing that we are able to meet together in person and on-line.

In this week's edition you will find information about some upcoming additions to the ministry here at Faith. We are REALLY excited that the current county directives are allowing us to carefully resume some of our weekly Bible Studies. We love our physical gatherings, but continue to encourage everyone to practice safety with regards to wearing face-masks, washing their hands and avoiding crowding together. Of course, if you have symptoms of any kind, please do not attend in person. Instead, choose to join the on-line opportunities to study and gather. As we slowly bring back certain aspects of ministry we will seek to provide safe practices that will protect each one as much as is possible in today's world.

Despite the challenges today, we believe that Worship is essential to Faith Community Church and that God's Word is central to that Worship. Our prayer is that the Church will come together more and more in the days ahead and that we will retain our commitment to the ministry for which our Savior commissioned His Church. Most importantly we desire for you to know the good news of the Gospel through having a personal relationship with Jesus Christ. This relationship is possible only through faith that is placed in Jesus Christ and Him alone.
