There are three crosses in the Gathering Area with baskets of colored yarn. Please take a piece of yarn and drape it over one of the crosses. This will affirm your own personal commitment to participate in praying for that particular focus during the week. **This week's color is orange. The focus is the children, leaders and volunteers at VBS.** At the end of the summer we will be able to see, from the many pieces and colors of yarn, a multitude of people who have prayed for a myriad of concerns. **Let this be a summer of prayer at HUMC.**

Barb Biltz is collecting the **aluminum tabs** from soda and other cans for the Ronald McDonald House. By collecting and turning them in to the House on the Welcome Center counter, you help care for families while their children receive much-needed medical treatment. This is an easy and fun project that many have been supporting for years.
