

# JOURNEY TO THE CROSS

## Welcome

Welcome to the Journey to the Cross. The purpose of this experience is to remind you of the wonderful story of the Gospel as given to us through the Bible. If you are already a Christian, this is a time to reflect and remember the good news that you have already believed. Let this be a time to re-commit yourself to the Lord, Jesus.

Or maybe you're not yet a believer. Perhaps you're here because you're curious. But you've never really heard what the cross and Easter are all about. Perhaps you're familiar with the Gospel, but you're not yet convinced. Perhaps you believe, but you've never accepted the gift of forgiveness and salvation.

No matter where you stand with Jesus today, this is a time to consider how much God loves you and consider surrendering your life to Him. If you make a commitment to Jesus today, we would love to know about it. Share your decision with one of our hosts so that we can help you take the necessary next-steps of growth!

Thank you for joining us for the Journey to the Cross.
