

## Things to know

- We follow the law of the Spirit and not laws of man
    - We do not need to look to outward works to justify our standing before God
    - We need to look to his word and the guiding of the HS
  - There is a real death and life that take place when we believe
    - Our sin dies a real death it is not a metaphorical one just as we are born into a real new life and not a metaphorical one.
  - Our main force should be on pleasing God
    - When start to do things so others know that we are good or righteous, that is where we begin to get into trouble
