A Survival Guide

THANK YOU FELLOWSHIP

We want to extend a massive thank you to our Church family, for helping those affected by the winter storm. Some of you have spent countless hours removing and repairing sheetrock, pipes, and other damage. You guys are amazing! You have been an incredible blessing to friends, neighbors, and those within our church body. Ultimately, you are pointing those around you to Jesus, and we are grateful.

MINISTRY SPOTLIGHT

Dear Friends, I have had you on my heart during this COVID season, asking the Lord to watch over you and give you strength. COVID Cabin life – 7 weeks at home, 300 sq ft cabin, and 2 very busy member care providers! We give daily thanks to God for the internet that allows us to stay connected around the world, and for the privilege of serving in a time of great need. House Church – I am sure many of you are faced with changing the way you worship corporately, as we have been. Even out here in the East Texas woods, we can hear our pastor online each Wednesday and Sunday. As we've all been challenged to live out our love of Jesus in new ways, here is a blog from our very own East West, that opens our eyes to new possibilities in our present realities around the world <https://blog.eastwest.org/church-is-not-a-building>.

How are our missionaries? Your generous support has enabled us to be first responders to missionaries in crisis, as well as helping us come alongside those who have needed a little shoring up. Missionaries have been expressing gratitude to us (and to you!) for all the care they've been receiving. Many of our colleagues have stayed in their overseas locations; some have returned to the US during this season. They are all creatively accessing the people they were called to just as we are digitally. Bible studies on Zoom with refugees, messages of encouragement via WhatsApp, phone calls to local believers, assisting national pastors with feeding programs -there is so much interest in the Good News right now! New challenges have created new opportunities, and all of us at East West are leaning into Jesus and being empowered to do new things in new ways!

Would you prayerfully consider joining our support team?

Prayer Guide

February 28, 2021

"Let the name of God be praised forever and ever, for wisdom and power belong to him. He changes times and seasons, deposing some kings and establishing others. He gives wisdom to the wise; he imparts knowledge to those with understanding." *Daniel 2:20-21*

Scripture Meditation

Many people today are experiencing a crisis of faith. It seems the world is winning and we live in a country ruled by men and women without concern for the things of God. We fear for the future of our children, and many times we want to fight to combat the deterioration but don't know how. Daniel served as a slave in a cruel and ruthless kingdom. The people of Israel probably wondered if they had been abandoned in their enslavement and if God was still around. The story of Daniel 2 encourages us when our faith hits a wall to know that our God is wise and powerful and in control. And we are reminded that a better kingdom is coming for all of God's people. Pray that we would be committed to trust in crisis, and that we, too, would begin our battles like Daniel – in prayer.

"When Faith Hits a Wall"

Congregation Prayer and Praises

Hugh Brown - Please pray that I am able to take my vitamin regimen with no problem and that it will help my immune system. Please pray that I will be able to get German shepherd dog and that he will be trainable for the medical experts. Please pray that God will rebuke Covid virus out of this world.

Eddie Martinez - Please pray for my wife Maria. The cancer has return and she is not doing well.

Millie Neisser - Heartfelt thank you for acknowledging Allen & I last week. Can't express my feelings.

James & Sophia Smith - We count our blessings that we have no power nor water out during this past week. We were able to host family members that have not water and power or warm shelter, hot shower and meal. We thank God for His blessings that all you families' homes made thru this week without to much damages. We know so many in our community suffered greatly.

PRAY

Please pray for your staff, Elders and ministry leaders. Over the next few weeks we'll be praying and discussing ways we can more effectively minister in the days to come.

COVID-19 is not going away any time soon, the culture is not becoming more understanding of church ministries, and people are increasingly in need of faith, hope and love. Pray for us as we consider ways to be ministers of God's grace in a world and circumstances none of us have ever faced before.

CHILDREN'S MINISTRY

We lift up our children in prayer and ask to keep them encourage and healthy.
We pray for our volunteers to be able to show our children the love of God.

STUDENT MINISTRY

Prayer for our students and their families: more and more our families are coming under attack. One way to combat this issue is through prayer, and today we lift our families to the Lord for strength and endurance throughout these stressful times. Likewise, we pray that the virus (Covid particularly) will not invade our families and schools, and those infected will heal quickly. Lastly, Lord we pray today for those that are lost in need of a Savior, and for those that are broken in need of healing/restoration, that you God will draw them into your presence.

MISSIONARIES

Please pray for those we partner with in global missions. We support several local as well as overseas missionaries, all of which are experiencing the same chaos that we are with the current state of things. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. A list of these missionaries is attached for you to help you as you pray.

Please specifically pray for our missionaries in the Lebanon area as they continue to recover from the recent disasters there.
