## MINISTRY SPOTLIGHT

### Covid Comes Calling

*A rare snowstorm in the capital, Tirana, dumped 3+ inches on Valentine's Day. And it stuck around for 48 hrs due to very low temps!*

We were preparing for a busy weekend. We were to have a Day of Prayer with our Christar Balkans team Saturday and then on Sunday we had various plans for Valentine's Day. Monday was to start another normal week of school.

Mr. Rona had a different idea. Peter had had a very minor cough on Friday - the kind of thing you don't even raise an eyebrow about unless you are

in the midst of a pandemic. Saturday morning the cough increased and other minor symptoms starting as well. One of the main laboratories in Tirana is just around the corner from our house so Peter dutifully masked up and headed down for testing.

Meanwhile our plans were all set aside while we waited. And waited. At 10:30pm it was confirmed: Peter is the first of our family to get Covid. We are all in quarantine for 10 days. Fortunately, the ministry of education made an announcement on Friday that due to the extremely cold temperatures expected this week that all schools would be moved online. So, GDQ moved back online for another week, which makes it possible for Peter to teach with no interruption to his classes at all. On a different note, we feel sad for students in this Covid year, as it used to be when you had a snow day you actually had a day off school; now it just means a day at home doing school online!

Peter's symptoms so far are fairly minor, more like an unpleasant cold than anything more serious. Obviously Melodye and Jonny have been exposed, but so far have not shown any signs. Please pray that this will continue to be the case (they both would like to somehow get antibodies without being ill ;-)) **Peter & Melodye Bowers**

## Prayer Guide

February 21, 2021

“Now the Lord delivered...”

*Daniel 1:2a*

## Scripture Meditation

This morning we start a study on the book of Daniel looking at it as a Survival Guide for living in our culture. The first study of the book sets the stage for all that follows. God gave a pagan king victory over Judah, gave the captives Daniel and friends compassion in the eyes of their captors, and gave Daniel and friends ability that distinguished them above the other captives as well as the native advisers. God had a work to do in Babylon and used faithful men to show a pagan culture that Yahweh’s provision, judgment and compassion were far superior to their pagan gods. Pray this morning that God might show us ways to be faithful and excel for His glory. And pray we might each be a point of light and compassion in a hostile culture for His honor.

## Congregation Prayer and Praises

**Millie Neisser** - Praise: February Allen & Millie Neisser celebrate 40 years here at Fellowship.

**Hugh Brown** - Please pray that I am able to take my vitamin regimen with no problem and that it will help my immune system.

### PRAY

Please pray for your staff, Elders and ministry leaders. Over the next few weeks we’ll be praying and discussing ways we can more effectively minister in the days to come.

COVID-19 is not going away any time soon, the culture is not becoming more understanding of church ministries, and people are increasingly in need of faith, hope and love. Pray for us as we consider ways to be ministers of God’s grace in a world and circumstances none of us have ever faced before.

---

### CHILDREN’S MINISTRY

We lift up our children in prayer and ask to keep them encourage and healthy.

We pray for our volunteers to be able to show our children the love of God.

---

### STUDENT MINISTRY

Prayer for our students and their families: more and more our families are coming under attack. One way to combat this issue is through prayer, and today we lift our families to the Lord for strength and endurance throughout these stressful times. Likewise, we pray that the virus (Covid particularly) will not invade our families and schools, and those infected will heal quickly. Lastly, Lord we pray today for those that are lost in need of a Savior, and for those that are broken in need of healing/restoration, that you God will draw them into your presence.

---

### MISSIONARIES

Please pray for those we partner with in global missions. We support several local as well as overseas missionaries, all of which are experiencing the same chaos that we are with the current state of things. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. A list of these missionaries is attached for you to help you as you pray.

Please specifically pray for our missionaries in the Lebanon area as they continue to recover from the recent disasters there.
