MINISTRY SPOTLIGHT

In 2010, Marsha and I were looking for a church to call home. As we prayed for God's direction, we walked into Fellowship with no idea of the path God had in store for our family. Three years later, God again opened a door for me to begin working on staff as the part-time facility director for Fellowship.

That was 10 years ago. Since then, my relationship with Christ has deepened and my responsibilities have grown. The part-time position evolved into my current position of Director of Support Ministries for Fellowship which entails not only responsibility for the physical church building but also the technology used to run this ministry. Over a year ago, I earned my license as a minister. In addition to my job at

Fellowship, I volunteer in AWANA, serve on the board of HiS Print Ministries, and volunteer with many other ministries.

We are blessed that Marsha homeschools our two children, Cooper and Addison, and runs the home property with me. She also volunteers with AWANA and sings with the Worship Team on Sundays. Cooper and Addison are both involved in ministries of this church.

Our family is blessed to be a part of the Fellowship family, who God has used to teach us about His overwhelming love and grace. In this Body of Christ, we have found people to share our life with. We are excited to be a part of this body, as we all grow unified to glorify God.

Prayer Guide

March 5, 2023

"Old School"

16 "This is what the LORD has said, 'You sent messengers to seek an oracle from Baal Zebub, the god of Ekron. Is it because there is no God in Israel from whom you can seek a message?'
2 Kings 1:16

Scripture Meditation

Today's passage both challenges us to consider the sources of our perspectives and worldviews as well as encourages us that God provides the answers we want.

Pray that the Lord convicts us where we are depending on sources other than the whole counsel of God, and that we are encouraged in pursuing the answers He gives.

Congregation Prayer and Praises

Patricia Cain - That I will get over this mess in GODS TIME not mine. Feel miserable. Dr. said allergies. Who knew breathing clean air would make one sick?

Bill Larremore - Our finances.

Hugh Brown - Scheduling an appointment with doctor, concerned about results. Pray for good report (no cancer).

Eddie Martinez - Pray for him and his family health.

CHILDREN'S MINISTRY

Dear Lord, thank you so much for all the precious children in this world. We know they mean so much to you. We pray you would help us do all we can to protect them and give them the start in life they deserve. Lord, we bring to you all the wonderful work being done to raise children in your kingdom, and we pray that you would bless every pair of hands that works for you. Increase and bless their efforts in Jesus' name, Amen.

STUDENT MINISTRY

Lord of life and light, as this year draws nearer to an end, there are so many things we can be thankful for. The fact that we are even reading this right now is just one of the many blessings that you've given to us. Remind us that every good and perfect gift comes from above. Help us to take moments throughout our busy weeks to pause, to consider the things great and small in our lives that point towards You. May we be humble in all we think, say, and do as we give you all the praise, honor, and glory that is due to You alone. Amen!

MISSIONARIES

Please pray for the missionary families and organizations we support around the world. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. Pray also for them personally: for their health, family relationships and personal growth in their walk with Christ. A list of these missionaries is attached for you to help you as you pray.
