## THANK YOU FELLOWSHIP

Thank you to all the volunteers that made **Trunk or Treat** a success. You are a true blessing to our church families and our community!

We had 17 different **Trunks**, 48 volunteers handing out **Treats** and offering games for the kids to play. Sno-cones, hay stack dig, Pumpkin Parable and hayride all helped to make this year's **Trunk or Treat** a successful community outreach.

We were able to share God's love and message of redemption with 136 children, proving that the light of God really can shine in today's world.

## Prayer Guide

October 31, 2021

### *A Second Look at Healing Our Land*

"You once were not a people,  
but now you are God's people"

1 Peter 2:10

### *Scripture Meditation*

For the next three weeks we're taking a second look at some familiar, yet often misquoted or misused, passages of Scripture. Like today, often there are good motivations being expressed even though the passage really doesn't apply to the concern. Today we consider a passage that seems to promise that God will heal our land and make our country great.

Pray that the Lord speaks and reminds us that our citizenship in this country is not our ultimate citizenship and not the focus of following Jesus.

Pray that we would desire to lovingly bring people into the ultimate citizenship of God's kingdom.

## *Congregation Prayer and Praises*

**Patricia Cain** - David was admitted to the hospital Praying for those who need a lot of GODS LOVE right now You are loved!

**Hugh Brown** - Please pray for my family and me that we stay safe and health.

**Eddie Martinez** - Please continue to pray for my wife Maria who is a lot of pain and my son Eddie. Please pray that I can function at 100% so I can help my family. Thank you for praying for my family.

### **CHILDREN'S MINISTRY**

We lift up our children in prayer, we ask God to guide them in their daily life to draw closer to him.

We cover our volunteers in prayer, as they guide and love our children, the way Christ loves us.

### **STUDENT MINISTRY**

Prayer for our students and their families: more and more our families are coming under attack. One way to combat this issue is through prayer, and today we lift our families to the Lord for strength and endurance throughout these stressful times. Lastly, Lord we pray today for those that are lost in need of a Savior, and for those that are broken in need of healing/restoration, that you God will draw them into your presence.

### **MISSIONARIES**

Please pray for the missionary families and organizations we support around the world. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. Pray also for them personally: for their health, family relationships and personal growth in their walk with Christ. A list of these missionaries is attached for you to help you as you pray.
