CHILDREN'S MINISTRY

We are so blessed to have our Children's Ministry attendance returning to normal!

Please be in prayer for the right individuals to step forward to help serve in these children's classrooms. Adults and teens are needed during both hours in all age groups. A background check will be required.

Can you give two Sundays a month to help our children develop their foundation in Christ?

Please email Adriane Ledesma at contactus@fellowshipbible.org.

MINISTRY SPOTLIGHT

The second trimester began this week at SETECA! We thank the Lord that the training of men and women for His service continues to go forward.

The commitment and dedication of our teachers is a key element in this process. Please pray for Ismael who has served on our faculty for 39 years. Please join us in thanking the Lord for all those who faithfully teach His truth at SETECA.

We are still working mostly from home on a variety of projects. Jean has been organizing over 100 outfits from around the world to promote missions (when things open up!). Paul continues teaching and occasionally preaching online. We have been meeting by Zoom with alumni in different countries. It's exciting to hear how God is using them in the midst of the pandemic.

This morning I called Herb Berridge to see how he is doing. Kind of amazing I would say all things considered. He told me he came through the cold spell OK. He also told me about the Easter service. We had a good talk and prayed for each other. We will be praying for all of you there as well.

It's a joy to serve in partnership with you. Thank you for being a part of our ministry!

Paul and Jean Sywulka

Prayer Guide

April 25, 2021

“A Hard Answer to a Hard Prayer”

“Listen attentively, my God, and hear! Open your eyes and look on our desolated ruins...For it is not because of our own righteous deeds that we are praying to you, but because your compassion is abundant.”

Daniel 9:18

Scripture Meditation

More and more, Christians feel like the United States is falling apart and going to pot. As Christians, there is a tendency to act as though our national condition does not involve us. Yet Daniel, when praying about his nation's condition, acknowledged his active participation, his passive observation and avoided any self-righteous isolation. Pray this morning that we would be moved to pray for our nation, and like Daniel, to pray on behalf of God's reputation rather than our peace and comfort.

Congregation Prayer and Praises

Wilson Family - Please pray for the Wilson Family

Pat Cain - (WPG) - David's home! Thanks for the prayers! GOD answered!!!!

Eddie Martinez - (WPG) - Please pray for me. I have to go to the VA Hospital to see the doctor. Every time I go, I have to take a COVID test I am so tired of that. My Parkinson's is back and I want to be able to function at 100%.

CHILDREN'S MINISTRY

We lift up our children in prayer and ask to keep them encourage and healthy.
We pray for our volunteers to be able to show our children the love of God.

STUDENT MINISTRY

Prayer for our students and their families: more and more our families are coming under attack. One way to combat this issue is through prayer, and today we lift our families to the Lord for strength and endurance throughout these stressful times. Likewise, we pray that the virus (Covid particularly) will not invade our families and schools, and those infected will heal quickly. Lastly, Lord we pray today for those that are lost in need of a Savior, and for those that are broken in need of healing/restoration, that you God will draw them into your presence.

MISSIONARIES

Please pray for those we partner with in global missions. We support several local as well as overseas missionaries, all of which are experiencing the same chaos that we are with the current state of things. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. A list of these missionaries is attached for you to help you as you pray.
Please specifically pray for our missionaries in the Lebanon area as they continue to recover from the recent disasters there.
