## MINISTRY SPOTLIGHT

It has been a privilege and honor to be part of this body of believers here at Fellowship Bible Church. Wow, June of this year will make 30 years! What happened to the time?

When Mike and I first joined Fellowship back in 1993, I knew then that our spiritual family had grown extensively and we would have amazing adventures ahead of us. I did not, however, understand what being part of this family with such an array of personalities and ages, both physically and spiritually would entail. The result has been much joyful laughter and many tears of sorrow. There have been unexpected stumbling blocks and frustrations in some areas, while seasons of growth and understanding in others. I wouldn't trade this church family for the world! I love you all dearly.

The Lord has a plan and a purpose for placing you and me in this precious body of believers, and I can honestly say, "I look forward to seeing what our Heavenly Father has in store for us over the next 30 years!"

As far as our physical family, please allow me to gloat over our grandchildren for a moment.

Your sister in Christ,  
Cindy Waldrop

## Prayer Guide

### "A League of Their Own"

*The jar of flour was never empty and the jug of oil never ran out in keeping with the Lord's message he had spoken through Elijah*

1King 17:16

## Scripture Meditation

In Elijah's story, he went from a prophet speaking before King Ahab to a fugitive dependent on the poorest of widows in an enemy stronghold. In preparing Elijah for great conflict and success, God first put him in a position of great humility and dependence.

Elijah and the widow demonstrated humility in

their immediate willingness to serve each other in humble circumstances. Both experienced the miraculous provision of God in response to their humble dependence.

They, as those who foreshadow the Messiah to come in humility and dependence, are in a *League of Their Own*. Pray this morning that we, too, would be willing to live in Christlike humility and dependence. Pray we would be encouraged to believe that His ways are not out of our league.

### CHILDREN'S MINISTRY

Dear Lord, thank you so much for all the precious children in this world. We know they mean so much to you. We pray you would help us do all we can to protect them and give them the start in life they deserve. Lord, we bring to you all the wonderful work being done to raise children in your kingdom, and we pray that you would bless every pair of hands that works for you. Increase and bless their efforts in Jesus' name, Amen.

---

### STUDENT MINISTRY

Lord of life and light, as this year draws nearer to an end, there are so many things we can be thankful for. The fact that we are even reading this right now is just one of the many blessings that you've given to us. Remind us that every good and perfect gift comes from above. Help us to take moments throughout our busy weeks to pause, to consider the things great and small in our lives that point towards You. May we be humble in all we think, say, and do as we give you all the praise, honor, and glory that is due to You alone. Amen!

### MISSIONARIES

Please pray for the missionary families and organizations we support around the world. Pray for wisdom, strength, and vision for each of them as they faithfully share the gospel and disciple people around the world. Pray also for them personally: for their health, family relationships and personal growth in their walk with Christ. A list of these missionaries is attached for you to help you as you pray.
