When Jesus was asked what was the greatest commandment; 37 Jesus replied: "'Love the Lord your God with all your heart and with all your soul and with all your mind.' 38 This is the first and greatest commandment. 39 And the second is like it: 'Love your neighbor as yourself.' 40 All the Law and the Prophets hang on these two commandments."

Matthew 22:37-40

If you want to truly love God, you have to **know** God, and one of the best ways to know God is through studying the Word of God. To help youth, as well as children and adults, to know God, put our full faith in Him, and love Him with all our heart, soul and mind, our Sunday school classes are using a curriculum called "The Gospel Project" from Lifeway. It is a three year chronological study through the whole Bible. Each week we not only learn what the Bible says, but we also learn how to apply what the Bible says to our daily lives. We have spent the last 18 months studying the Old Testament (the law and the prophets). We are now in an 18 month study through the New Testament. We will be finishing our study of the entire Bible in time to celebrate Thanksgiving in 2027. By growing in our knowledge of God, we grow in our love for God, and as we grow in our love for God, we grow in our love for our neighbors. We would like to invite you to join our family of faith, and grow in your love for God by learning His Word and how to make it a part of your daily life.
