Historical accounts (or legends) tell us that Nimrod (Bar-Cush or Bacchus, meaning "let us rebel") married Semiramis but was later killed. She soon became pregnant and claimed that her unborn son was "a miracle"... Nimrod re-incarnated! The father became the son and ought to be worshiped as well as the mother. This "mother-son" false religion soon spread throughout the world and is known by many different names with slight variations.
