## TRULY FULFILLED

John 3:16

*God loved in an unimaginable way in order to give the gift of eternal life*

What is eternal life?

- Have you ever stood in awe of something bigger than you? The size of the universe, the vast expanse of the ocean or the enormity of the Grand Canyon

The Universe – **Psalm 19:1**

- God made the universe huge and man small to say something about Himself and His order of life
- He is infinitely great, powerful, wise and beautiful
- The disproportion between us and the universe is a picture about the disproportion between us and God
- The point is not to nullify us or make us feel worthless but simply to glorify so that He is revealed to us
- The point is to move us away from a self-centered, self-indulgent lifestyle to one that makes sense and has significance
- **John 17:3** – Knowing Him is intimate fellowship
- **1 Peter 3:18 & John 12:32** – The purpose is to draw us near to Him
- Knowing Him satisfies the soul because God's love provides for us the best to enjoy forever – **Psalm 16:11**
- Knowing His greatness and getting to participate in it is eternal life
  
- Jesus not only fulfills us but He brings focus to us
  - **Isaiah 43:6-7** – We are made for His glory
  - **Matthew 5:16** – We are made to reveal His glory
  - **Philippians 5:15** – the greatest of joy comes when we display His mindset and His plan
  
- God's passion for His own glory gives birth to ours!
