

Walking In Purpose

UNQUALIFIED WEEK 3

Acts 9:1-18 (NLT)

- Saul was a self-described Pharisee (**Philippians 3:5**).
- He was born to Jewish parents, and was a Roman citizen. The melting pot of influence he had as a child and young man crafted a deep hatred for Christianity in Saul's heart.
- Saul was even present at the execution of Stephen, the first Christian martyr.
- He was well known as a terrorist among Christians. He hunted them down. He often entered their homes and shackled both the men and women and returned them to the High Priests to be put on trial. He had a notorious reputation amongst believers.
- Our purpose is not contingent upon our qualities. God knew our qualities when He established our purpose!

2 Corinthians 12:1-10 NLT

- Weaknesses don't disqualify you. They are the doorways that allow the power of God to flow through our lives. They remind us to rely on Him, and therefore, actually qualify us even more.--

Matthew 16:13-19 NLT

*When we finally identify who Jesus is, Jesus will identify who we are
