

## **DOORS OF DECISION**

the other 6 days  
graduation sunday

have you ever heard a knock at the door, while you were home and wondered who it was?

did you try to see who it was? then look at someone and say don't answer it we're not home.

have you ever went to someone house and knocked on the door and they wouldn't answer but you could hear someone whispering and you see shadows moving.

**Revelation 3:20 Look! I stand at the door and knock. if you hear my voice and open the door, I will come in , and we will share a meal together as friends**

When Jesus comes in, He brings peace and joy. There is no greater life than having the Lord Jesus Christ living within your heart.

### **DOORS OF DECISION.**

Some of us are not so sure that we want Jesus in our heart on a daily basis! We hear Him knocking. We sense the presence of the Holy Spirit.

We feel the tug of the Love of God as He reaches out to us and tries to gently persuade us to spend time with Him. So, we slowly open the door to allow us to see who is there but we keep the chain on the latch just in case. It's as though there are some things in our lives that we are afraid of giving up, or we are not sure that we want the life that Jesus offers. We dislike the thought of surrendering our will to the will of God so we just peek at what Jesus is offering and we never open the door wide enough to allow Him into our heart.

Jesus is not like some salesman whose livelihood depends upon his success at your door. Jesus already has everything. He has already overcome the world and all of its temptation and desires. He defeated sin, defeated death and grave and is alive forevermore. He already owns all the cattle on a thousand hills and He already has all power in Heaven and in earth. He already commands the hosts of angels and is seated in the throne of Heaven. His work is finished and there is nothing that you have that he wants to take from you except the sin and pain in your life.

**Why does Jesus continually knock at the door of your heart?** What motivates the Holy Spirit to continue to reach out to every man on the earth and never give up? What do we, as sinful, mortal, weak, and destitute people, possibly have that Jesus could want?

Is the treasury running short of cash and the Lord is reaching out to you in an attempt to get your wealth to keep building the streets of gold or furnish the mansions beside those golden avenues.

Do you think that God's "wheels" are broken and He needs your car?

Ezekiel 1 describes Gods Mode of transportation

Maybe Jesus is knocking because He needs your food! Has the "Bread of Life" run out of bread? Was his body and his sacrifice not enough and now He needs your food to complete the job of saving the souls of men and satisfying the hungry hearts of men?

**WHY DO PEOPLE NOT OPEN THE DOOR WHEN JESUS KNOCKS?** Is it because Satan has blinded them to their own need of a Savior? Is it?

Story of hidden room in house

Jesus continues to knock, knock and knock without ceasing. He knocks on your door with every gospel message you hear. He knocks on your door when every moment of depression, worry, fear, anxiety or sickness strikes your life. He knocks on your door every time you receive a blessing that you don't deserve.

He knocks and knocks and knocks and knocks everyday  
and will never quit

Why do you think that Jesus continues to knock? It's not because He wants something you have, but because He wants to give you something that He has! Jesus wants to give you eternal life! He wants to give you an equal inheritance in the wealth of Heaven! He wants to give you a more abundant life! He wants to give you His love, mercy, and grace! He wants to give you peace, joy, happiness, and fulfillment in life and hope for your future! He wants to give you Salvation from your sentence of eternal death!

So many decisions, should I Open this door or that one  
what door should I open

Revelation 3:20 Look I stand at the door and knock. If you  
her my voice and open the door. I will come in and we will  
share a meal together as friends

**YOU SHOULD OPEN THE DOOR THAT JESUS IS  
KNOCKING ON.....DAILY**

He will trade your opened door to your heart for an open  
door into the glories of Heaven for all eternity!

BRING UP MADELYNN

Jesus is standing at your heart's door right now and gently knocking? If you will but stop, be still, close your eyes and listen with your heart and your spirit, you can hear that knock.

Don't allow the noise of the world, the voice of the devil or the voices of those around you to keep you from hearing the call of God to open your heart to Him!

Will you open your heart's door right now and let Him come in? Don't make Him wait any longer. Don't keep the door shut!

The only things that Jesus wants from you are your sin, your worry, your hopelessness, your disappointments, your failed dreams, your wasted years, your sickness, your weakness and your pain! Why not give Him those things this morning and then let Him fill those empty and places in your heart with His love and His blessings?

This the time and this is the day to decide whether you will hear and open your heart to Him! Jesus is knocking right now! What will your answer be?
