

# Membership Class 2 - Exit Distinctives

*The Mission & Values*

**FIRST** - I will join Exit Church in the tenacious pursuit of Truth, actively engaging with God's Word both corporately and privately with the expressed intent of understanding and submitting to God's Word as an act of worship. (*John 17:16-17, Romans 12:1-2, Ephesians 5:25-27*)

**SECOND** - I will count myself a missionary of Exit Church out of the biblical conviction that everyone is called into the work of the Great Commission. As such, I will seek to advance the proclamation of the gospel through those opportunities and relationships God has afforded me in my family, my workplace, and my community, and support those whom the church sends to proclaim the gospel beyond our area. (*Matthew 28:16-20, 1 Corinthians 12:4-27, 2 Corinthians 5:18-21*).

**THIRD** - I will be adaptable by putting the mission of God ahead of my own interests, to support our taking risks that will result in the redemption of others, and to view my personal life as a missional expression of God to the world. I will be adaptable by holding loosely my traditions and preferences in corporate worship, in an effort to make room for new and immature believers without compromising the clear commandments of Scripture that prescribe what corporate worship ought to look like. (*Romans 14:1-23, 1 Corinthians 9:19-23*)

**FOURTH** - I will join Exit Church in the work of equipping as many disciple-missionaries as possible and sending them out to join in the mission of the Church. (*Ephesians 4:11-16*)

**NEXT STEPS** - This is your opportunity to share your story. Tell us about your background, your family, and how God has worked in your life. It can be as brief or detailed as you'd like. When writing your testimony, please include these two key things:

- *Jesus as Savior* – Share how you came to trust that Jesus' death and resurrection were necessary for your forgiveness and salvation.
- *Jesus as Lord* – Share how you're seeking to follow Him wherever He leads.
