

Responsibility is showing you can be trusted with what is expected of you.

Read: Galatians 6:9

DAY

1

Hard Work

Look around your house and figure out a way you can help. Ask an adult if they have any ideas if you can't find something to do. Whatever you choose to do, stick with it and work hard to complete the task to the best of your ability!

LOOK for ways that you can help others around you!

DAY

2

To Do: Work Hard

Create a list of chores you can do to help out in your house. Make a list of three things: one that will help someone specific (example: make your lunch), one that will help the house (example: run the vacuum), and one that helps you (example: do your homework and put it away). Work on your list this week.

ASK others what they need help with.

DAY

3

Doing Good

Write out this week's verse and draw a picture of yourself doing something good!

KNOW that doing good for others shows them God's love.

DAY

4

Do the Work

When we ask God to help us see the needs around us, God will use us. Ask God to help you see what others need and how you can help them. You can pray something like this:

~~~~~  
 "Dear God, I pray that I can see others needs today. Help me do what I can to help them and show them Your love. God, help me to be a good friend and work hard to help others. Amen."  
 ~~~~~

THANK God for showing you how to care for others.

Work hard.
