

A Devotional—Keep going because of what God has done.

Read: Acts 3–4:22

DAY
1

Wonder Questions

Did you know it's great to ask questions? The man from Ethiopia had questions, and God sent Philip to help him. God can send someone to help you when you have questions too. You can ask a grown-up, a teacher, or a leader at church. God loves to help you learn more about Him.

ON-PAGE ACTIVITY: Circle the pictures that help you find answers when you have questions.

LOOK, God sends help when I have questions.

DAY
2

Practice Listening

Play a game of Simon Says with your family or friends. One person will call out simple instructions, such as “Touch your toes,” and everyone else will follow the instructions—BUT ONLY if the leader says, “Simon Says” before the command.

Practice listening to whoever is leading the game. Listen for what they say and what they don't say. When you listen to who is leading, you're more likely to succeed in the game!

KNOW that listening to God's Word will help you know how to live.

DAY
3

Ask for Help

You can talk to God anytime, anywhere, and about anything! God always, always hears you. That means when you have a question, you can stop and ask, “God, can You help me find an answer?” He can send someone to help you understand. So keep asking God questions! Then stop to listen and look to see how God might answer your question!

AT-HOME ACTIVITY: With a grown-up, write down some questions you have about God. Talk about one question you have. Pray together.

DAY
4

Thank You for Helpers

God has put people in your life to help you. Can you name some people who help you? God put people in our community, like firefighters, nurses, and crossing guards. These people help keep us safe. God also gives you people to help you when you have questions about your faith—people like your small group leader, your parent, and your pastor. You can thank God for loving you and giving you people to help you!

Prayer: “God, thank You for giving me people to help me! I love You, God. In Jesus' name. Amen.”

Keep following God, even when you have questions.
