

Justification | Romans 4:1-8
Reverend Dr. Russell St. John

1. Why must we go all the way back to the Garden of Eden in order to understand justification?
2. What Catch-22 do fallen people find ourselves in after Eden?
3. Why is it Good News that Jesus came “not to abolish but to fulfill” the law?
4. What did Jesus offer as “satisfaction” for your sin?
5. If the Good News only promises forgiveness of your sin, what do you still lack?
6. How does the truth of Jesus’ active obedience free you from a performance treadmill?
7. What does it mean to “impute?” Why does it matter?
8. Why is “doing more good than bad” a false hope for salvation?
9. Why is being “a good person” not enough?
10. What is the chief fruit of justification in your life?
