

Already/Not Yet | Colossians 3:1-4
Rev. Dr. Russell St. John

1. In what ways are you already with Christ?
2. In what ways are you not yet with Christ?
3. How does this already/ not yet situation manifest itself in your life? What tensions or challenges does it produce?
4. Would it be better or easier to have an outward, physical trait that marked you as a Christian? Why or why not?
5. What are some ways you personally “set your mind” on the things above? What practical devotions or activities help you to do this?
6. How does the certainty of bodily resurrection comfort you?
7. How does it help you to reject man-made religion, and the “don’t taste, don’t touch, don’t handle” rules it imposes?
8. What part of glory do you look forward to the most?
