

Entry into the Kingdom of God | John 10:1-10
Rev. David Barnes

1. What prohibited entry into the kingdom of God did "all who came before" Jesus teach?
2. Present day, what false forms of salvation do you hear in conversations with non-Christians or in the culture at large?
3. What is the only permitted entry into the kingdom of God?
4. Consider asking a few group members to share how they came to faith in Jesus, their "door" of salvation.
5. Christians often think of eternal life after death as the gift of faith in Christ, and it is. In what ways have you known the abundant life of faith in Christ in this life?
