

What's the Difference | Micah 2.6-11
Rev. David Barnes

1. Reread Micah 1:1-2:5. What "things" in 2:6 do the false preachers want Micah not to preach?
2. In v.6, why do the false preachers think Micah should stop preaching?
3. Read Proverbs 15:12 and 17:10. Do you remember disliking a warranted reproof, or being hard-hearted to a warranted rebuke? What was the result? If appropriate, share with the group.
4. What does v.11 reveal about the desires of the people and the false preachers' willingness to meet them?
5. Why are the LORD's words of judgment "good to him who walks uprightly?" (v.7)
6. Besides the seesaw illustration, how else can you explain the relationship between God's mercy/grace and wrath/judgment?
7. Greed drove the sin in vv.8-9. What do you learn from Hebrews 10:34 that must drive your generosity?
8. Read John 5:24-29, and rejoice that Christ endured the wrath of God so that we receive the mercy of God!
