

Christ, or ... | Colossians 2:8-15  
Rev. Dr. Russell St. John

1. To what kinds of “empty deceit” or human tradition have you fallen prey?
2. Why does Paul stress the need not to let such things control you?
3. Why does it matter that Christ is God in human flesh?
4. Why should Christians reject the teaching of Christ plus circumcision, or Christ plus obedience to the Mosaic Law?
5. How does Paul’s statement that you were both buried and raised with Christ in baptism comfort you?
6. How does canceling your record of debt and nailing it to the cross shame the “rulers and authorities?” Why is this public spectacle important to Paul?
7. What do you need for salvation in addition to Christ?
