**FOR**  
SCHOOLS

**FOR**  
NEIGHBORHOODS

**FOR**  
OUR CITIES

**FOR**  
THE FORGOTTEN

Pathway Family and Friends,

We talk often about what it means to follow Jesus, in community, for others. During the next five weeks, we want to focus specifically on that phrase “in community” in two specific ways.

First, as followers of Jesus, it’s important for us to be in a face-to-face group with others who want to follow Jesus and live like He did. We call these groups Home Teams. They are the best way to experience authentic friendship as Christ followers and to grow as disciples. If you are already in a group, I’m so glad that you’re participating in this series. If you are new to a group, you might be a little anxious. Let me encourage you to stick with it and see what God does.

Second, He has called us to live for others out in our community. We want to show the love of Jesus to everyone around us not just to those we know. Sometimes people in our communities only hear about what churches are against and we want to share what we, and Jesus, are for.

- **For Schools** – God is for children so I will advocate for schools
- **For Neighborhoods** – God is for neighbors so I will show the people I live near that God cares for them.
- **For Our Cities** – God is for my city so I will build a strong community.
- **For the Forgotten** – God is for the forgotten so I will love and shepherd the last, least, and lost.

As a further demonstration that we believe God has a heart for our communities, on October 12 & 13, we are canceling all of our weekend services and asking everyone to participate in Serve Weekend. Throughout the series, we’ll be asking you to sign up for a project at a school, in your neighborhood, in your city, or with a forgotten group. It’s going to be a great way to live out our faith and to demonstrate to those around us that God is for others.

I hope you will take this challenge seriously, be here every week for the next five weeks, participate in a Home Team, and sign up to volunteer on Serve Weekend.

Looking forward to serving with you!

# FAQ:

## **What is the purpose of the *For...* series?**

*For...* is designed to fire all three pistons of our strategy statement: Following Jesus, In Community, For Others. These working simultaneously will result in a large amount of people taking next steps in their relationship with Jesus.

## **Why *For...*?**

Often, the church and Christians are known for what we are against, but we want to address some things we, and God, are for.

## **Why are we canceling weekend church services on October 12 & 13?**

We feel so strongly about going out into our community and serving people that we are for that we want to make a statement. What better way than telling people not to attend one weekend but to instead go out and serve!

## **How can I participate in Serve Weekend?**

If you are in a Home Team, talk to your group and decide on a project. Your group leader will sign you up and provide instructions.

If you are not in a Home Team or your group is not going to participate together, find a project and sign up online at [pathwaychurch.com/serveday](http://pathwaychurch.com/serveday).

## **What is a Home Team? How do I get connected?**

Home Teams are what we call our small groups environment at Pathway Church. They are a place where you can enjoy authentic friendship and discover more of God's purpose for your life. Home Teams are focused on building relationships, growing spiritually, and impacting our community together.

CONTINUED ON NEXT PAGE >

Each campus has many different types of groups you can experience. The easiest way to get connected to a group is by reaching out to your campus pastor and they will give you more information. You can also visit [pathwaychurch.com/hometeams](http://pathwaychurch.com/hometeams) and search the open groups.

## **I don't know how to invite others to Pathway or to my Home Team. What's the best way to do that?**

It's hard to invite someone you don't know to attend church with you. Listen for these three simple cues to come up in everyday conversation:

"I'm not from here."

"I wasn't prepared for that."

"It's not going well."

## **What does being a multi-site church mean?**

Pathway Church is one church with locations in Wichita, Goddard, and Valley Center. As a multi-site church, our three campuses are managed by a Central Services Team, led by Lead Pastor Todd Carter, which equip and empower our campus teams to facilitate life-changing relationships with people in and around each campus.

We have a vision to see more sites in more communities over the next five years as well as a permanent facility for our Valley Center Campus. This will help fulfill the Great Commission which is rephrased in our mission statement: "Connecting people to Jesus and helping them become His fully-devoted followers."

## **Questions about something else?**
