The Gift: Week 6

Re-Gifting

BIG IDEA:

When the shepherds' lives were changed, they could not help but share with others.

OPENING QUESTIONS

1. What makes a gift a great gift?
2. How can giving a great gift make you happier than receiving a great gift?

IN THE WORD

1. Why did the Jews have a hard time accepting that Gentiles could become Jesus-followers if they knew the truth of [Acts 10:34-35](#)?
2. How does [Acts 10:36](#) begin to pry lose the selfishness of Jesus only coming for the Jews from people's thinking?
3. Summarize the Good News of Jesus from [Acts 10:37-40](#) in your own words.
4. The marching orders of sharing what Jesus has done are pretty clear in [Acts 10:41-43](#). They seemed to break down when it came to sharing with non-Jewish people in the first century. Why do you think that was true?
5. Share what you see God saying to the believers in [Acts 10:44-45](#).

MAKING IT PERSONAL

1. What can we learn from the struggles of Peter and some of the other Jews about sharing the message of Jesus with everyone?
2. Why do people selfishly hold on to the message of Jesus, i.e. forgiveness, eternal life, restored relationship with God, and God's Holy Spirit in us?
3. How can this story in Acts help you be open to whom God wants you to share with in your life?
4. Who can you be accountable to, in order to share your conversion experience with someone?

CONTINUED LEARNING

Read [Acts 11:1-26](#) and see how God continues make the news of Jesus more widespread.
