Aligning yourself with God's mission is how your faith grows.

## TRUE OR FALSE

*(Answers on the back.)*

1. Giving money is really more important than praying for missionaries and unreached peoples.
2. Globally, less than two cents of every dollar given to “missions” goes to take the Gospel to the unreached.
3. Those who are cross-cultural missionaries need to know multiple languages.
4. Most cross-cultural missionaries cannot use their degrees or job experience.

## OPENING QUESTION

1. At Pathway we call missionaries Global Outreach Partners. What do you think of when you hear about missionaries? Is there anything that scares you about the thought of you being a missionary?

## READ

[Philippians 4:15-19](#), [Luke 8:1-3](#), [Matthew 9:37-38](#), [Romans 15:30](#)

## IN THE WORD

1. What does Paul say happens when we serve as a sender?
2. How was Jesus supported in His ministry? What were some of the ways people were asked to get involved?

## MAKING IT PERSONAL

1. How will you and your Home Team choose to get to know your campus-specific Global Outreach Partner/project better? You may be from different campuses. What does that look like in support of the number of missionaries?
2. Discuss with your Home Team ways you could support Global Outreach in addition to giving.

**Examples:** *Send others on serving trips, prayer, watching their children during team meetings.*

3. What are obstacles that keep you and others from going on a serving trip? Is this an area you need to step out in faith in? Share concerns you may have about going on a serving trip. Pray for one another.
