1. Which of the four application points stood out to you most?
2. Why is Judas one of the greatest examples of lost opportunity? What other lessons/warnings can we glean from Judas' life?
3. We learned about the dangers of unrestrained passion from Peter's impulsive act. Can you think of other ways in which unbridled passion can result in more harm than good?
4. The disciples' forsaking of Jesus is a reminder that Christians do stumble at times. It raises the question, "How can a Christian fail well?" What is the path to godly restoration?
