

## Community Group Discussion Questions:

1. What does it mean to be satisfied in God? Where are some things in your life that you look to for satisfaction besides God? What are some practical ways that we might cultivate a satisfaction in God right now?

2. Read Ps. 61:1-5 and Psalm 121:7-8. These passages say that God is our protector and refuge against evil. In what ways might the enemy try to attack us in the midst of suffering? How can we prepare ourselves for that?

3. How might the justice of God be a comfort to those who are suffering?

4. What are some practical ways we can comfort those who are enduring trials, and encourage them to place their dependence on the Lord?
