

## Community Group Questions:

1. What was one truth or principle that stood out to you most in last Thursday's message?
2. Why is it important to develop convictions before the heat of the moment when it comes to sexual temptation?
3. What are some ways you can prepare yourself ahead of time, so you are ready to respond purely in the face of sexual temptation?
4. Our world tends to magnify the pleasures of sexual sin while minimizing the consequences. But Galatians 6:7 reminds us there is a sowing and reaping principle that applies any time we choose to yield to sin. What are some of the potential consequences to yielding to sexual sin?
5. How would you kindly counsel another Christian who was battling sexual sin? What other passages or principles in God's Word would you point out to demonstrate the weightiness of this sin, and at the same time, offer hope?
