1. Which of the keys of leadership from this passage stood out to you the most? Why?

2. What often holds us back from serving in the sacrificial way that Paul did? Why does Christ call us to serve sacrificially like this?

3. Since many of us will move away at some point, how does this passage impact how we look for a church? What should be our priority in looking for a shepherd and church?

4. How are we as a flock to prepare to defend against false teaching? How can we grow to discern truth from error?

5. As Paul ministered, it was clear that he knew it had to be done with the right character (humility, integrity, etc.). Why is this essential to your ministry? What happens if you try to serve and minister, but with the wrong character?
