Community Group Questions

1. Pastor Andy highlighted the saving faith of the dying thief on the cross as an amazing example of salvation *by grace alone.* Do you ever struggle with a legalistic mindset or an attitude of "earning" in your walk with God? How does this story speak to your struggle?

2. Why is it so important that Jesus bore the wrath of God on the cross? What would be the implications if he had simply been physically executed without bearing that spiritual suffering?

3. The precious words of Jesus—"it is finished" or "paid in full"—point to the unlimited availability of salvation by faith in Christ. Have you embraced this opportunity? How are you seeking to share it with others?
